AT THIS TIME, HE PROPOSES CHANGING THE EXISTING TRAFFIC SIGNAL AHEAD SIGN FROM A 30" X 30" TRAFFIC SIGN TO A LARGER 36" X 36" SIGN AND PAINTING "SIGNAL AHEAD" PAVEMENT MARKINGS TO BOTH LANES OF THE WEST BOUND TIERRA REJADA ROAD APPROACHING THE INTERSECTION. To: The City Council of Moorpark.
From: Residents of Second Street.
Reason: Petition for street bumps

Members of the City Council, I Javier Ceja am proposing that speed bumps be added along Second St. in the downtown area of Moorpark. My mother is a current home owner and resident on second st. I have seen first hand the speeds that many travel through the street while not abiding by the speed limits set. There are many families with young children that reside in this area and the lack of speed control is a huge threat to the safety and lives of these children. It is also very dangerous when exiting the driveways as there can be many blind spots to oncoming traffic. Below you will find signatures of homeowners that agree and are requesting for the City of Moorpark to assist in making the street a safer place for all.

Thank you for your attention to this issue.
Sincerely Javier G. Ceja

Miembros del Concilio de la ciudad de Moorpark
De parte de: Residentes de la calle segunda.
Motivo: Petición de topes para reducir la velocidad de tránsito.

Miembros del Concilio de la Ciudad de Moorpark, Yo Javier Ceja he conversado con los dueños de casa y habitantes de la Calle segunda, sobre la necesidad de topes para disminuir la velocidad de vehículos que transitan la calle. Para las familias jóvenes que tienen hijos pequeños representa un gran riesgo, también para todos los residentes al salir de su área de estacionamiento. Mi mama es residente de la calle segunda es así como he aprendido la necesidad de los vecinos. En la página siguiente incluyó la firma de los dueños de casa.

Gracias por su atención a esta situación.
Sinceramente Javier G. Ceja
