WHEREAS, the City of Moorpark provides permit application review and processing services for land use development permits, film/photography permits, abandoned shopping cart prevention plans, business registration permits, and special business permits; and

WHEREAS, the City Council has determined that the cost of these services shall be fully offset by fees which accompany permit requests; and

WHEREAS, the hourly billing rates for staff time for processing applications have been established by separate City Council resolution; and

WHEREAS, on March 4, 2015, the City Council scheduled a public hearing for April 15, 2015, to consider updates to permit application review and processing fees and deposits; and

WHEREAS, notice of the April 15, 2015 public hearing has been provided as required by Sections 6062a, 66016, and 66018 of the Government Code; and

WHEREAS, information on the costs required to provide the permit application review and processing services was made available to the public as required by Section 66016 of the Government Code; and

WHEREAS, on April 15, 2015, the City Council held a public hearing as required by Sections 66016 and 66018 of the Government Code to consider updates to permit application review and processing fees and deposits, took and considered oral and

WHEREAS, the Community Development Director has determined that the update to deposits and fees for permit processing is exempt from the provisions of the California Environmental Quality Act (CEQA), in that the action of the City Council does not involve the consideration of the approval of a project.
