

Parents Night Out Saturday, October 13th

*Attending Rotary's Beer Festival? Tickets & information
available at www.moorparkbeerfestival.com
Drop the kids off early at 5:00 p.m. and pick up at 9:15 p.m.!*

Weird & Wacky Science

While parents have a night out, kids will see that science is FUN! For only \$25, children will experiment with static electricity, make slime, and explore the night sky and constellations. We'll also watch the animated short "Wallace & Gromit: The Wrong Trousers" and have some playground time! This fun night is open to children ages 4-10; kids must bring a sack dinner and also wear clothes you don't mind getting a little messy!
